FROM: Robert P. Hunnicutt, Tower Coordinator, Columbia Telecommunications Corporation

SUBJECT: Tower Group Meeting Agenda for July 14, 2004

The next TFCG meeting is scheduled for July 14, 2004 at 2:00 p.m. in the 1st floor Conference Room of the COB (please note this is a new location). If you are a committee member and will be unable to attend the meeting, please call Margie Williams at (240) 777-3762. The agenda for the meeting is as follows:

Consent Agenda Items:

1. T-Mobile application to attach nine 54" panel antennas at the 45' and 49' level on the walls of the 41' MEP building located at 15800 Crabbs Branch Way in Rockville (Application #200407-01).
2. T-Mobile application to pole mount nine panel antennas at the 58' level on the walls of a 45' Hampshire West Apartment building located at 1415 Hampshire West Court in Silver Spring (Application #200407-02).
3. Sprint PCS application to install three 63" panel antennas at the 126' level on an existing 134' PEPCO transmission line tower #102-S located in the 8700 Block of Snouffer School Road in Gaithersburg (Application #200407-04).
4. T-Mobile application to install nine 54" panel antennas (six antennas now, three in the future) at the 102' level on an existing 108' PEPCO transmission line tower #611-N located at 13139-T Colton Lane in Gaithersburg (Application #200407-07).
5. T-Mobile application to attach nine 54" panel antennas (six antennas now, three in the future) at the 120' level on an existing 150' Sprint monopole at Sherwood High School located at 300 Olney Sandy Spring Road in Sandy Spring (Application #200407-08).
6. T-Mobile application to install three 54" panel antennas at the 60' level on an existing 70' Sprint monopole at Tilden Middle School located at 11211 Old Georgetown Road in Rockville (Application #200407-09).

7. T-Mobile application to install three antennas inside the monopole at the 95' level of a 120' monopole on Goshen Church property located at 7700 Brink Road in Gaithersburg (Application #200407-10).

Application for By-Right Attachment:

8. T-Mobile application to add a 5' false chimney to the top of an existing chimney and enclose three antennas inside the false chimney of this 36' St. Luke Evangelical Lutheran Church building located at 9100 Colesville Road in Silver Spring (Application #200407-03).

Application for New Structure by Mandatory Referral:

9. T-Mobile application to replace an existing 60' athletic field light pole with a new 130' monopole, attach six 54" panel antennas (two per sector) on a low-profile platform at the 127' level, and reattach the ball field lights at the 60' level. The monopole will be located at John F. Kennedy High School located at 1901 Randolph Road in Rockville (Application #200406-04).

10. T-Mobile application to replace an existing 60' athletic field light pole with a new 143' monopole, attach nine antennas on a low-profile platform at the 140' level, and reattach the lights at the 60' level. The monopole will be placed on Blake High School property located at 300 Norwood Road in Silver Spring (Application #200407-05).

11. T-Mobile application to construct a new 100' monopole and attach three 54" panel antennas at the 98' level. The monopole will be placed on Fairland Elementary School property located at 14315 Fairdale Road in Silver Spring (Application #200407-06).

If you have any questions, please call me at (410) 964-5700 or call Jane Lawton at (240) 777-3724.
